# Equi-Trek Elegance

The Elegance is a superb, compact and economical horsebox offering exceptionally comfortable living accommodation for two people.

Built on a brand new and unregistered Mercedes-Benz chassis, the vehicle has a powerful CDI diesel engine, which complies with the latest Euro 6 standards and gives effortless performance and outstanding economy. This is further enhanced by the 7 speed fully automatic gearbox, giving a very smooth ride for both horses and passengers, helping to reduce stress levels on arrival whether heading out to compete or travelling to the farrier. The Elegance also incorporates a hill start assist function and climate control for driver comfort.

The body is made from composite panels for long, low maintenance life and includes fantastic storage for saddles and bridles as well as the spacious living area.
