Equi-Trek Valiant

Designed for the competitive owner who requires a horsebox to carry two horses safely and economically (depending on size and weight) combined with spacious overnight living accommodation.

The unique tri-axle layout provides a more spacious living area than can normally be achieved in this style of vehicle. The Valiant is fully equipped for overnight stays, complete with a comfortable L-shaped seating area which converts to a double bed, a fitted kitchen unit with sink and gas hob, plus a separate bathroom area.

The Valiant is powered by a powerful HDI diesel engine which complies with the latest emission standards, giving effortless performance and outstanding economy.
